

Agreement for Certified Training Centers

The following expectations listed are required to become an official certified training center for the CPU. Each section must be followed and agreed upon before the company may receive the CPU Certified Training banner and letter.

- Company is responsible for a **\$200 one time payment** to the Canadian Powerlifting Union to complete process. You will receive an invoice after completion.
- Signing this document acknowledges the company will adhere to the CPU Code of Conduct.
- The company must display the banner in clear view inside.
- Company must have at least one competition spec lever-adjustable squat/bench press rack or equivalent as featured in CPU/IPF competition (Combo Rack, Eleiko, ER, ghost, ect.). Company must provide **PHOTOGRAPHIC PROOF attached to this document.**
- A variety of equipment that a CPU Powerlifting lifter would need to adequately train for a competition including but not limited to: 20kg barbell (Eleiko, Ivanko, Leoko, Rogue, Titex), kilo-calibrated discs (Eleiko, Ivanko, Leoko, Titex), power rack, and lifting platform.
- Company will be listed on the CPU website under "CPU Certified Training Centers".

Failure to abide by the above conditions will result in removal from the CTC program and no refunds will be granted.

Sign below if you, the Company, understand and will fulfill all expectations of the Certified Training Center of the CPU.
